Jonathan Phillips: Fourth Crusade and the Sack of Constantinople
Fascinating how Christians turn on each other when the chips are down.

David Livingstone: Livingstone's First Expedition to Africa (1875)

Ian Caldwell: Rule of Four Novel. Pretty good.

VIRTUAL CHAT ROOM FOR DUMMIES

9pm GMT tonight. Brian M. will be there to chat with you. Some of you are coming for the first time to our Suddenly Seminary inside HabboHotel.co.uk

Check out these cool rollers that were released a few hours ago. This room was created entirely from free and traded furniture by my 14 year old son, Samuel. You will see it tonight. I will be there in a few minutes. Thats me with a GREEN HAT.

Some pointers;

Read the [guidelines](#) on tonight's event.

You will need to get a "Habbo" - an online character - its FREE and easy.

You will need to download and install shockwave (u probably have it already) and can download it when you get there.

Use "boaz1" as the password for all my rooms.

When you enter any room, turn on "SHOUT" mode or people will not hear you

The teleports to get you into other rooms are often shaped like phone booths or portaloos.

Coffee and tea in Boaz Lounge or Suddenly Seminary.

"Bobba" is a word censored by the website when it thinks you are swearing.

You must be at least 11 years old to enter.

See you there.
